PA2-KIT

Highlights

- High reliability components, plug and play
- 720P camera module to achieve HD video call; The lens mounting height and Angle can be adjusted to meet the requirements of various scenarios
- High sensitivity pick up, waterproof, dustproof designed microphone module, suitable for harsh environment application
- 5W/8 Ω speaker module, satisfied the noisy environment to the demand of the high loudness of the intercom equipment
- Waterproof and dustproof designed stainless steel button with LED indicator for better operation

Component	Photo	Functions	Features
Speaker		<ul style="list-style-type: none"> - Speaker with self-adhesive layer. - Module with dustproof, waterproof protective film. - 5W/8 Ω Waterproof loudspeaker. 	<p>5W/80 Waterproof loudspeaker.</p> <p>The diameter of the horn is 57mm and 13.7mm high Include 150cm Shielding wire.</p>
Microphone		<ul style="list-style-type: none"> - Microphone with self-adhesive layer. - Module with dustproof, waterproof protective film - The sensitivity of microphone is -38dB ± 2. 	<p>Sensitivity:-38dB ± 2,</p> <p>Standard working voltage: 3V, the maximum working voltage is 10V,</p> <p>Output impedances ≤2.2K Ω ,</p> <p>Diameter of the microphone is 9.7mm and the height is 4.7mm. Include 150cm Shielding wire.</p>
Button		<ul style="list-style-type: none"> - Stainless steel button with backlight. - Protect level IP67, IK10. - The mechanical lifetime of the button is 200,000 times. - LED lamp lifetime is 400,000 hours. 	<p>The diameter of the button is 16mm and the height is 23.8mm. The button is self-restorable stainless steel button with 150cm shielding wire.</p>
IP Camera		<ul style="list-style-type: none"> - Module with self-adhesive layer - 720P HD camera, support dual video stream - Power by PA2 LAN Port (12V DC) - Wide angle lens, the installation angle can be fine tuned <p>NOTE: Do not connect the POE injector /switch directly using this camera module. It will be damaged</p>	<p>1. 0M 1/4"H62 CMOS sensor</p> <p>color 0.1Lux@F1.2</p> <p>black/white 0.01Lux@F1.2</p> <p>H. 264, support dual stream, AVI</p> <p>Main stream: 1280*720</p> <p>sub-stream: 704*576</p>

The above specifications may be updated in the future without prior notice. All hardware/software/physical features should be based on the final shipped products. For more information, please visit: www.fanvil.com
