

# A310M

HD audio

Lightweight design

Long wearing comfort

Ideal for video-telephony

## Flexible all-rounder - mono

The Snom A310M is a new wired monaural headset designed for maximum comfort and performance. The ergonomic design means it can be worn comfortably all day. The wideband technology ensures high-definition sound and crystal-clear

communication. In addition, the passive noise cancelling microphone guarantees clear voice transmission. With the various Quick Release (QR) adapters available this headset is perfect for use in a variety of telephony scenarios.
